WELCOME

Welcome to Indianapolis! On behalf of the entire Honor Society of Nursing, Sigma Theta Tau International (STTI) Board of Directors, we welcome you to Leadership Connection 2016. During the next few days, you will have the opportunity to network with more than 400 of your colleagues and STTI leaders at the chapter, regional, and international levels. This two-part conference represents a tremendous opportunity to exchange information and learn the latest in personal and professional leadership.

This year's Leadership Connection theme, *Influencing Change Through Leadership*, is reflected in all the oral presentations, posters, and workshops designed to make an impact on your chapter, your workplace, and your personal life. This year's Leadership Connection objectives are:

Chapter Leadership Goals

- Develop a self-awareness of current leadership strengths/style
- Provide leaders a unique forum to exchange ideas
- Learn best practices to improve chapter vitality

Leadership Goals

- Inspire nurses to accept leadership responsibilities as a part of their contribution to the profession
- Develop a network of leaders in nursing to support future collaboration

As you learn together and make valuable new connections, we think you'll agree that STTI events foster a positive atmosphere of support and encouragement. While you are contributing to that positivity, remember to make time to discover the sights and hospitality of STTI's home city, Indianapolis.

We look forward to sharing these days with you and to meeting and speaking with as many of you as possible. Enjoy your Leadership Connection 2016.

Sincerely,

Cathy Catrambone, PhD, RN, FAAN
President, STTI

Patricia E. Thompson, EdD, RN, FAAN
Chief Executive Officer, STTI

GENERAL INFORMATION

All Posters and Presentations

Full-text poster and presentation information and files, when permitted by the author, are available now in the Virginia Henderson Global Nursing e-Repository (Henderson Repository) at <http://bit.ly/LC16Repository>. The daily schedule at <http://leadership.nursingsociety.org> provides access to session presentations through our free online repository that collects, preserves, and disseminates digital nursing materials at www.nursingrepository.org.

Baggage Storage

Due to fire code regulations, baggage storage is not permitted in the meeting area. Please see your hotel's concierge for information on baggage storage.

Children

Children are not allowed to participate in any conference activities and must be supervised at all times. Check with your hotel concierge about child care services.

Electronic Devices

As a courtesy to the presenters and other attendees, please silence all electronic devices and refrain from using your cell phone during the sessions.

Emergencies/First Aid

If you require emergency assistance, please immediately contact STTI's registration desk, any member of STTI's staff, or the Indianapolis Marriott Downtown.

Evaluations

You will receive the post-event evaluation via email approximately 10 days following the conclusion of this event. If you wish to provide us with additional feedback, please email events@stti.org. Your comments help us plan future STTI events.

Exhibit Hours

The exhibits will be displayed on level two in the Marriott Ballroom Foyer. Refer to your event schedule for viewing times.

Guests

While guests are welcome to travel with you to Leadership Connection, they are not allowed to participate in any event activities unless you purchase a daily guest badge for US \$25 at the STTI registration desk.

Internet Access

Limited wireless Internet access is available in some areas of the Indianapolis Marriott Downtown.

Lost and Found

Please visit the registration counter in the Marriott Ballroom Foyer on level two to collect lost items or to turn in found items.

Meeting Rooms

Due to fire code regulations, you are not permitted to stand in the perimeter of the plenary, leadership session, and chapter leader session meeting rooms.

Message/Announcement Board

If you have a message for fellow attendees, you can use the message/announcement board, located near registration on level two. This provides an opportunity to connect with colleagues at Leadership Connection. Please do not leave messages of a personal nature. STTI staff members reserve the right to remove postings that are inappropriate. Messages and announcements will not be forwarded to guest rooms.

Sigma Theta Tau International Marketplace

The Marketplace is in Marriott 7 on level two. Please stop by to view and purchase STTI apparel, books, jewelry, and other gifts. Marketplace hours are:

Name Badges

Your name badge is included in your registration packet. Your badge admits you to all conference sessions and events and must be visible to security guards, moderators, and staff. If you misplace your badge, please visit STTI's registration desk for a replacement. You will be charged a US \$10 replacement fee. For your safety, please write on the back of the badge your emergency contact information, food and medicine allergies, and any significant medical condition(s). Do not wear your name badge while walking outside. You can recycle your name badge holder after the event in the recycle bins in STTI's registration area.

No-Smoking Policy

All STTI events are nonsmoking. The hotel and host city may have additional rules in place. Please speak with your hotel concierge if you have any questions.

Oral Presenter Information

The Speaker Ready Room is located in the Denver Room on level two, and it provides a place to practice presentations. If you are using slides, you may view your presentations in the Speaker Ready Room. You will find instructions for viewing PowerPoint presentations next to each provided computer station. Please note: Internet access is not available on these computers.

The Speaker Ready Room will be open during the following times:

Saturday, 17 September

Noon-4:30 p.m. (1200-1630)

Sunday, 18 September

8:00 a.m.-4:30 p.m. (0800-1630)

Monday, 19 September

7:45 a.m.-5:00 p.m. (0745-1700)

Tuesday, 20 September

7:45-10:30 a.m. (0745-1030)

The only equipment provided on-site for oral presentations is a computer and an LCD projector. Because of contractual agreements with the audiovisual provider and the possibility of virus transfers, you cannot connect personal equipment (e.g., flash/jump drives, CDs, etc.) to the computers or use it in the presentation rooms. Additional charges are incurred with each violation and may be passed on to you. Please note that this policy will be strictly enforced.

You cannot make changes to your slide presentation. If you have a question or concern, please see Matt Howard at STTI's registration area.

Plenary Sessions

These presentations will take place in Marriott 1-5 and Marriott 6 on level two. You can be seated 30 minutes prior to the start of the session. For titles and times, please refer to the program schedule.

CNE INFORMATION

Disclaimer Statements

Requirements for successful completion of educational activity and to receive contact hours for the CNE sessions include the following:

- Successful completion of the educational activity to receive contact hours includes attendance during the session(s) (e.g., cannot miss more than 10 minutes of activity) and successful completion and submission of the online evaluation form.
- Participants are required to complete the overall event evaluation and an evaluation for each session attended. Certificates for attendance, presenters, and moderators can be retrieved after the overall and individual session evaluations are completed. The number of contact hours awarded to each participant will be based on the evaluations completed for each session attended or poster viewed.

Commercial Support and Sponsorships

STTI must inform attendees if a commercial interest has provided financial or in-kind support for the educational activity, including how content integrity is maintained and bias is prevented.

Non-Endorsement of Products

Please note: Accredited status does not imply endorsement by the provider of the educational activity or American Nurses Credentialing Center of any commercial products discussed/displayed in conjunction with the educational activity.

Expiration of CNE Materials

Contact hours for educational activity are available for 60 days following the end of the program. The deadline to receive CNE credit is 30 November 2016.

Conflicts of Interest

Unless otherwise noted, all planning committee members, reviewers, content experts, and individual session presenters attest that no relevant financial relationship exists between them and commercial entities which would present a conflict of interest or commercialize the content of the educational activity.

STTI JOURNALS:

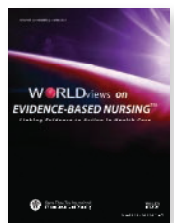

DID YOU KNOW?

STTI membership includes free online access to two high quality nursing journals!

Journal of Nursing Scholarship

Focused on the health of people throughout the world, the *Journal of Nursing Scholarship* reflects STTI's dedication to providing the tools necessary to improve nursing care globally. Each bimonthly issue contains peer-reviewed, thought-provoking articles representing research by some of the world's leading nurse researchers.

Worldviews on Evidence-Based Nursing

Worldviews on Evidence-Based Nursing is a primary source of peer-reviewed, evidence-based information to improve patient care. Each bimonthly issue contains knowledge synthesis and original articles with best practice applications as well as recommendations for clinical practice, nursing education, administration, and public healthcare policy.

HOW TO ACCESS ONLINE:

There are several ways to access STTI's journals online or on your smartphone:

1. The STTI website: www.nursingsociety.org/publications
2. Our mobile apps for Apple and Android devices: www.nursingsociety.org/journalapps
3. The Wiley Online Library: [onlinelibrary.wiley.com/journal/10.1111/\(ISSN\)1547-5069](http://onlinelibrary.wiley.com/journal/10.1111/(ISSN)1547-5069) (if your school or institution is already a subscriber)

Additionally, when each issue is published, STTI members receive an email with the journal's table of contents so that you can easily navigate through the publication online or on your smartphone.

Senior Research Faculty Positions

The François-Xavier Bagnoud Center (FXB Center) within Rutgers School of Nursing is committed to improving the health of vulnerable individuals and families, including those infected and affected by HIV, and to building capacity in the communities and systems that serve them. With \$36 million in annual grant funding and approximately 350 staff, the FXB Center has a 30-year track record of successfully competing for sponsored programs in support of its mission.

A leader in the fight against HIV, the FXB Center has served as a national resource center for federally-funded programs including the AIDS Education and Training Centers (2002-present) and has played a key role in the CDC's work in eliminating mother-to-child HIV transmission (1999-present). Funded by the state of New Jersey to provide technical services and training, the FXB Center also has more than 20 MOUs for clinical services; liaisons with federal training partners such as the CDC HIV/STD Prevention Training Centers, SAMHSA, and the ATTC Network; and collaborations with academic partners including Columbia University, University of Washington, and the University of California, San Francisco.

The FXB Center's groundbreaking programs include the Child Health Program and Child and Family Nurse Program, operated in collaboration with the New Jersey State Division of Child Protection and Permanency (DCPP). These programs deliver community-based, pediatric nursing case management services to DCPP offices and the children in their care across the state of New Jersey. Since 2007, the CHP has provided nursing services to more than 50,000 vulnerable, at-risk children in foster care.

We are seeking referrals and applications for two Faculty Researchers eligible for Associate or Full Professor Rank with Tenure. Candidates should have an earned doctorate in nursing or another health-related field such as psychology, public health, or social work. Candidates should have a distinguished program of research that has been widely disseminated in peer-reviewed, refereed journals and supported through significant extramural funding.

Faculty Researcher in Community Health - (Posting # 16FA1055)

Candidates should have demonstrated expertise in the broad area of community health, with specialization in social determinants of health and health disparities as related to human immunodeficiency virus (HIV) and other infectious diseases.

Faculty Researcher in Maternal and Child Health - (Posting # 16FA1066)

Candidates should have demonstrated expertise in maternal child health, with specialty focus in the areas of childhood trauma, children's emotional and bio-behavioral risks related to abuse and neglect, and the child welfare system.

FOR MORE INFORMATION AND TO APPLY - Please see the complete faculty position descriptions on our website and apply online. [Visit nursing.rutgers.edu/careers](http://nursing.rutgers.edu/careers)

CHAPTER LEADERS: FIND RESOURCES AT THE CLICK OF A BUTTON!

All Sigma Theta Tau International chapter leaders have access to the All Chapter Officers workgroup in The Circle. From The Circle, click on "Groups" then "My Groups" to:

- Access a community calendar of deadlines, training sessions, and other dates of importance.
- Browse or share resources in the library.
- Post questions or best-practice ideas in the discussion forum.
- Read important announcements from STTI headquarters.

Looking for one-on-one assistance for your chapter? Complete a Consultation Request Form, accessible in the workgroup announcements, to meet with STTI staff about a wide variety of chapter health topics.

thecircle.nursingsociety.org

Through The Circle, active STTI members can join valuable conversations taking place in the communities of interest. There are now six communities available, in the areas of:

- Community health
- Critical care (NEW!)
- Disaster preparedness
- Good work in nursing
- Hospice/palliative care
- Nursing informatics (NEW!)

Sign in to <http://thecircle.nursingsociety.org> to access these communities or submit an application to start your own community, as well as access your chapter website, the STTI member directory, and much more.

NEED: Every year, six out of seven nurses seeking grant support are declined due to lack of funding.

GOAL: Increase support available annually to nurses by 100 percent by 2020.

To reach this goal, we will need your help to raise US \$4 million by 2020. Your gift will ensure that these opportunities are available to advance nursing and world health.

To learn more about how you can help, visit the Foundation table or find us online at www.nursingsociety.org/foundation.

Make two or more gifts by Founder's Day, 5 October 2017, to be recognized in President Cathy Catrambone's Philanthropy Circle.

GLOBAL INITIATIVES

The Honor Society of Nursing, Sigma Theta Tau International (STTI) Global Initiatives department seeks to enhance the organization's global reach, influence, and participation within the global health-care community. In pursuit of this purpose, Global Initiatives will focus on five key strategies:

Global Expansion

By establishing a regional presence in targeted areas, STTI will engage more audiences that can support expansion of the organization, identify potential partners, and pursue opportunities to host programs and events in collaboration with mission-related global meetings in various regions.

GAPFON

The Global Advisory Panel on the Future of Nursing & Midwifery (GAPFON) was convened by STTI. It brings together global nurse and midwife leaders in a collaborative effort to address global healthcare challenges, which is key to achieving global healthcare for all. GAPFON seeks to provide evidence on the value of nursing and midwifery, and to participate in and influence health policy, nursing and midwifery leadership and practice, education, and the global health agenda.

Relationship Building

STTI will establish and build relationships with key government, healthcare, and education leaders in global regions to support the mission of the organization. STTI was granted U.N. Economic and Social Council (ECOSOC) Special consultative status in 2012 and will work to support the global Sustainable Development Goals. STTI will continue to engage with other global organizations and societies, such as the World Health Organization, in efforts that support STTI's mission.

Member Engagement

STTI will work closely with members around the world to identify current and prospective opportunities to develop and/or engage in various programs and events related to leadership, education, scholarship, policy, practice, and service.

Member Growth

To support member growth, STTI will develop a global and dynamic educational regulatory and licensing standards database to support the establishment of developing honor societies and enhance the engagement of new members worldwide.

For more information, call 866.318.9964 (Toll Free) or visit Kaplan.edu/Nursing.

For comprehensive consumer and gainful employment information, visit Kaplan.edu/info. Kaplan University cannot guarantee employment or career advancement. Most states require nurses to be nationally certified in order to obtain licensure as a nurse practitioner. Students should research the requirements in the state in which they intend to seek licensure.

The baccalaureate degree in nursing, master's degree in nursing, Doctor of Nursing Practice, and the post-graduate APRN certificate programs at Kaplan University are accredited by the Commission on Collegiate Nursing Education (www.aacn.nche.edu/ccne-accreditation).
